

## REMARKS

In the Notice of Allowance and the Examiner's Amendment mailed on June 6, 2007, the Examiner allowed all pending claims. Applicants seek to correct a typographical error in claim 22 by removing the repeated word, "the" from line 9 of the claim.

The amendment after allowance is intended to correct an obvious typographical error and obviate the need for certificate of correction. The amendment does not add new matter. Furthermore, the amendment is being submitted prior to the payment of the issue fee for the above-identified application. Accordingly, Applicants respectfully request that this Amendment be entered under 37 CFR §1.312.

Applicants respectfully invite the Examiner to contact Applicants' representative at the number provided below if the Examiner would like to discuss further.

Respectfully Submitted,

STEPHEN R. LAWRENCE, ET AL.
